You can now pay your HOA monthly bill using Union Bank's online service! Once set up this can save you time by eliminating the need to write and send checks. You do not have to bank at Union Bank to use this service.

To register as a new user, go to: www.unionbank.com/hoabankers/. Click the dark blue box in the upper right that says "Get Started". You will then have to enter the following information:

Management Company ID: 0008

Association ID: 001018

Unit ID: The account number from your HOA
bill/statement

Note that the above numbers need to be all entered in the same field like this:
0008-001018-your account number.
